3. On November 8, 2017, the Bankruptcy Administrator moved the appointment of the Official Committee of Asbestos Claimants in the Debtor's case pursuant section 1102 of the Bankruptcy Code [Docket No. 69]. The Bankruptcy Court granted the motion on November 16, 2017 [Docket No. 97].

Accordingly, Robinson+Cole seeks reimbursement of actual expenses in the amount of \$286,337.74 it incurred in performing its services during the Fee Period. These reimbursable expenses include but are not limited to: external and internal duplicating charges, obtaining transcripts of hearings, expert witness fees and the use of on-line legal research tools. All expenses reflected herein comply with the Compensation Guidelines. Robinson+Cole submits that the actual expenses incurred in

providing professional services during the Fee Period were necessary, reasonable and justified under the circumstances to serve the needs of the Committee in this Chapter 11 Case. In-house copies at Robinson+Cole are charged at 13 cents per page. To the extent practicable, Robinson+Cole utilized less expensive outside copying services and the actually billed amount will be listed.

LEGAL BASIS FOR REQUESTED RELIEF

25. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 1103 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and . . . reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1)(A) and (B).

26. Section 330 of the Bankruptcy Code also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded to . . . [a] professional person, the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including --

(A) the time spent on such services;

(B) the rates charged for such services;

(C) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

(D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

(E) with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

(F) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3)(A)-(F).

27. The foregoing professional services performed by Robinson+Cole were appropriate and necessary to the effective administration of the Chapter 11 Case. The services were in the best interests of the Committee. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, as well as issues or tasks involved. The professional services were performed in an appropriately expeditious and efficient manner. In addition, Robinson+Cole has made every effort to minimize its disbursements in this case. The actual expenses incurred in providing professional services were absolutely necessary, reasonable, and justified under the circumstances to serve the needs of the Committee.

28. In accordance with section 504 of the Bankruptcy Code and Fed. R. Bankr. P. 2016(a), no agreement or understanding exists between Robinson+Cole and any other person for the sharing of compensation received or to be received for services rendered in or in connection with this case.

29. No agreement or understanding prohibited by 18 U.S.C. § 155 has been or will be made by Robinson+Cole.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

30. The services for which Robinson+Cole seeks compensation in this Seventeenth Interim Fee Application were, at the time rendered, necessary for, beneficial to, and in the best interests of, the Committee and the Debtor's estate. The services rendered by Robinson+Cole were consistently performed in a timely manner commensurate with the complexity, importance,

and nature of the issues involved. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, it is respectfully submitted that the amount requested by Robinson+Cole is fair and reasonable given (a) the complexity of this case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.

NO PRIOR REQUEST

31. No prior request for the relief sought in this Seventeenth Interim Fee Application has been made to this or any other court in connection with the Chapter 11 Case apart from the delivery of the monthly fee statements.

RESERVATION OF RIGHTS

32. The Committee expressly reserves all rights with respect to challenging the validity, propriety, jurisdiction and venue of this Chapter 11 Case, including without limitation seeking to dismiss the Chapter 11 Case pursuant 11 U.S.C. § 1112 and seeking to transfer the Chapter 11 Case pursuant to 28 U.S.C. §§ 1406 and 1408 and 11 U.S.C. § 105.

NOTICE

33. Notice of this Seventeenth Interim Fee Application has been provided in accordance with the Interim Fee Order. Robinson+Cole submits that no other or further notice need be provided.

CONCLUSION

WHEREFORE, Robinson+Cole respectfully requests that the Court: (i) enter the order attached as Exhibit A granting the Seventeenth Interim Fee Application and authorizing interim allowance of compensation in the amount of \$5,136,753.25 for professional services rendered on behalf of the Official Committee of Asbestos Claimants of Bestwall LLC and reimbursement for

actual and necessary expenses in the amount of \$286,337.74; (ii) direct payment by the Debtor of the foregoing amounts less any amount already paid pursuant to the Interim Fee Order; and (iii) grant such other and further relief as the Court deems just and proper.

MONTHLY FEE STATEMENT MEMORANDUM

To Notice Parties on Schedule 1, Attached (Via E-Mail)

From Robinson & Cole LLP

Date: August 2, 2024

Re: *In re: Bestwall LLC* (the "Debtor")
Case No. 17-31795
United States Bankruptcy Court
Western District of North Carolina, Charlotte Division

Pursuant to the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals entered on December 7, 2017* [Docket No. 132] (the "Compensation Order"), Robinson & Cole LLP ("RC") submits this monthly fee statement (the "Statement") as counsel to The Official Committee of Asbestos Claimants of Bestwall LLC, for the period April 1, 2024 through April 30, 2024 (the "Fee Period"). During the Fee Period, RC earned fees of \$1,175,537.50 and incurred expenses of \$67,807.39.

The Compensation Order allows retained professionals such as RC to request payment of ninety percent (90%) of their fees and one hundred percent (100%) of their expenses on a monthly basis. Accordingly, RC requests payment from the Debtor of \$1,125,791.14 calculated as follows:

\$ 1,175,537.50	(100% of fees)
x .90	
\$1,057,983.75	(90% of fees)
+\$ 67,807.39	(100% of expenses)
<u>\$ 1,125,791.14</u>	

Attached hereto and incorporated herein as part of this Statement is RC's invoice describing the services rendered and the expenses incurred for the Fee Period. A summary listing of the RC professionals providing services during the Fee Period as well as an itemized list of expenses each appears in the invoice.

The amount of fees withheld from RC at this time that will be sought in an interim fee application in accordance with the Compensation Order is **\$117,553.75**, which represents the holdback from this Fee Period.

Objections, if any, to the Fee Statement are due on or before **August 16, 2024** and are to be served pursuant to the terms of the Compensation Order as amended by the *Amended Order Granting Retention of Robinson & Cole LLP as Substitute Counsel to the Official Committee of Asbestos Claimants* [Docket No. 803].

To Notice Parties on Schedule 1, Attached (Via E-Mail)

From Robinson & Cole LLP

Date: August 13, 2024

Re: *In re: Bestwall LLC* (the "Debtor")
Case No. 17-31795
United States Bankruptcy Court
Western District of North Carolina, Charlotte Division

Pursuant to the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals entered on December 7, 2017* [Docket No. 132] (the "Compensation Order"), Robinson & Cole LLP ("RC") submits this monthly fee statement (the "Statement") as counsel to The Official Committee of Asbestos Claimants of Bestwall LLC, for the period May 1, 2024 through May 31, 2024 (the "Fee Period"). During the Fee Period, RC earned fees of \$1,080,051.00 and incurred expenses of \$85,841.21.

The Compensation Order allows retained professionals such as RC to request payment of ninety percent (90%) of their fees and one hundred percent (100%) of their expenses on a monthly basis. Accordingly, RC requests payment from the Debtor of \$1,057,887.10 calculated as follows:

\$ 1,080,051.00	(100% of fees)
x	.90
\$ 972,045.90	(90% of fees)
+\$ 85,841.21	(100% of expenses)
<u>\$ 1,057,887.10</u>	

Attached hereto and incorporated herein as part of this Statement is RC's invoice describing the services rendered and the expenses incurred for the Fee Period. A summary listing of the RC professionals providing services during the Fee Period as well as an itemized list of expenses each appears in the invoice.

The amount of fees withheld from RC at this time that will be sought in an interim fee application in accordance with the Compensation Order is **\$108,005.11**, which represents the holdback from this Fee Period.

Objections, if any, to the Fee Statement are due on or before **August 27, 2024** and are to be served pursuant to the terms of the Compensation Order as amended by the *Amended Order Granting Retention of Robinson & Cole LLP as Substitute Counsel to the Official Committee of Asbestos Claimants* [Docket No. 803].

MONTHLY FEE STATEMENT MEMORANDUM

To Notice Parties on Schedule 1, Attached (Via E-Mail)

From Robinson & Cole LLP

Date: August 27, 2024

Re: *In re: Bestwall LLC* (the "Debtor")
Case No. 17-31795
United States Bankruptcy Court
Western District of North Carolina, Charlotte Division

Pursuant to the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals entered on December 7, 2017* [Docket No. 132] (the "Compensation Order"), Robinson & Cole LLP ("RC") submits this monthly fee statement (the "Statement") as counsel to The Official Committee of Asbestos Claimants of Bestwall LLC, for the period June 1, 2024 through June 30, 2024 (the "Fee Period"). During the Fee Period, RC earned fees of \$1,390,009.00 and incurred expenses of \$104,337.96.

The Compensation Order allows retained professionals such as RC to request payment of ninety percent (90%) of their fees and one hundred percent (100%) of their expenses on a monthly basis. Accordingly, RC requests payment from the Debtor of \$1,355,346.06 calculated as follows:

\$1,390,009.00	(100% of fees)
x .90	
\$1,251,008.10	(90% of fees)
+ \$ 104,337.96	(100% of expenses)
<u>\$1,355,346.06</u>	

Attached hereto and incorporated herein as part of this Statement is RC's invoice describing the services rendered and the expenses incurred for the Fee Period. A summary listing of the RC professionals providing services during the Fee Period as well as an itemized list of expenses each appears in the invoice.

The amount of fees withheld from RC at this time that will be sought in an interim fee application in accordance with the Compensation Order is **\$139,000.90**, which represents the holdback from this Fee Period.

Objections, if any, to the Fee Statement are to be served pursuant to the terms of the Compensation Order as amended by the *Amended Order Granting Retention of Robinson & Cole LLP as Substitute Counsel to the Official Committee of Asbestos Claimants* [Docket No.

803]. Objections are due no later than 14-days after the last June 2024 fee statement is served by an ACC Retained Professional.
